THE WORLD

ALL THE LATEST MODELS  
OF THE SIMPLEX, POWERS,  
KODAKGRAPH AND EDISON  
MACHINES

HOURS 9 A.M. TO 8 P.M.

CHICAGO, August 24, 1916.

To whom it may concern:-

This certifies that W. J. Mikkilinen has completed our full course in motion picture operating on the Simplex, Powers, Kodakgraph and Edison machines with electricity, and that he is an experienced and thoroughly trained operator. We can recommend him as first class in every way and able to produce high class projection.

Yours truly,

NATIONAL SCHOOL OF MOTION PICTURE OPERATING.

*C. J. Smith*
