SPARE PARTS

Part ordering information

Replacement parts are available at or through your dealer.

Changes to IREM rectifiers are sometimes made to accommodate improved components as they become available and to give you the benefit of the latest circuit improvements developed in our R&D dept.

It is therefore necessary, when ordering parts, to quote the following information in your order:

- part number
- rectifier model or number
- rectifier serial number.

See drawing no. 35550 for electrical part list.

Recommended spare parts
